## Stock Dogs in Action

We were saddened to learn in March of the passing of Charlie Dahly, a great friend, great competitor and teacher in the dog show world. Prayers to his family. He will be missed!!

We have been very busy in the works of our upcoming show in Warrensburg, MO. The visions that we saw just a few years ago are becoming real and we could not be more excited. The show date is May 14-15.

CLICK on the links below to get entry forms as well as information about the location, rules, and other exciting things that we are offering that weekend. Be sure to pre-enter before April 23 to avoid late fees!!

## New feature

We have added a new feature to our website. You may now go online and create an account with us. Once your information is sent to us we view it, accept it, and then we will send you an email with a temporary password. Once you receive this you are able to go to your account and view all of your dogs and any past litter you may have registered. And, the best part is you can now register your litters online and print your puppy papers!!

Many of you have already discovered this new addition but if you haven't we encourage you to check it out. Just remember that when you submit your information it may take us a little while to get your account activated because sometimes we do get a little backed up with phone calls and such. We do our best to get them done as soon as we can.

### Have you joined an ASDR club yet...or started you own?

ASDR clubs are popping up everywhere. Check our website to see if there is one in your area yet.

We think these clubs will be a great opportunity for everyone involved and are thrilled to get them off and running.

## See you down the trail!

We've come a long way but we know we have a long road ahead of us. We are constantly trying to improve what we provide and promote. We are so excited and so blessed to have met so many wonderful people along the way. The friendships we have made are irreplaceable.

We've made some mistakes along the way but it's given us ideas on how to make things better and that is what we strive for on a daily basis.

We are striving to promote the herding breed in every aspect. It's been a great ride so far and we can't wait to see what's up around the next corner. We hope you all take the ride with us and we'll see you all down the trail.

Hope to see you at the show in Warrensburg!!
