

## American Stock Dog Registry Conformation Titles

Level 1

Level 2

Elite

Elite Bronze

Elite Silver

Elite Gold

Elite Grand

If you are showing a puppy you are allowed no more than 1 level per age group (3-6 mos, 6-9 mos, 9-12 mos), with these levels carrying over to adult (over 12 months). Puppies can still compete and place at shows, they just will not get anymore title levels until their next age group. You will receive a title certificate upon completion of each level, but Puppy Titles will not be added to registration papers. There is no age restriction for level titles for dogs over 12 months. Class dogs, Altered Dogs and Veteran Dogs may compete for all levels, but once the class dogs reach their Grand Elite title, they will only compete with the Champion dogs. **\*Veteran and Altered dogs will continue within their own division. But for the remainder of 2018 you may choose to show as a champion of champion, an altered dog, or a veteran. You must pick one and that will be your choice for the rest of the year, no exceptions.**

### **Dog Show conformation classes**

Puppy classes:

3-6 months
