

American Stock Dog Registry Scholarship Application

(applications are due April 15)

Each year, ASDR supports a youth that will be continuing their education in either college or a trade school through a scholarship. In the past we have only accepted applicants that have shown with us at an American Stock Dog Registry show. We now have two levels of scholarships available:

Scholarship #1 - \$1,500

Applicants for this scholarship must help with the family kennel and must have shown their family's or their own ASDR registered dog at an ASDR sanctioned show.

Name _____

Address _____

Parent's Name _____

High School _____

GPA _____ Graduation Date _____ Anticipated College/Trade School _____

Address of College/Trade School _____

Area of Study _____

*Please include an essay which includes your long-term goals, why you feel you are deserving and what you have accomplished with your dog program either through conformation, performance events &/or breeding. In your essay include what roles you do to take care of and train your dogs and how you help with your family kennel. Also, please include a list of the ASDR shows that you have attended.

Scholarship #2 - \$500

Applicants for this scholarship must help with the family breeding program, and the breeding program must be active (having registered a dog or litter within 2020 or 2021). Potential applicants would preferably have shown their dog in another venue or as a 4-H or FFA project.
